WHAT CAN YOU GIVE IDAHO?

April 23-May 7, 2020
IdahoGives.org

Greetings SIHA Supporters!

Are you missing the incredible natural beauty of the Salmon River-Sawtooth country? We get it! So let us bring it to you while you're sheltering in place.

It's our sincerest hope you and your loved ones are safe and healthy as we experience the coronavirus effects together. It's during these difficult times we have the opportunity to unite around causes that connect us to a larger community.

SIHA is honored to be a part of the 2020 [Idaho Gives](#) community, and we ask that you join our campaign. With your support, we can ensure that we continue to provide our community and visitors with the opportunity to connect more deeply to the area through our educational programs at the [Redfish Visitor Center & Gallery](#) and the [Stanley Museum](#).

How you can help: please visit us at [Idaho Gives](#) for more details and to make a donation between April 23 - May 7.

Here's a sneak-peak of our giving levels:

- \$5 You can make a difference! Help us reach our 50 donor goal during Idaho Gives!
- \$10 Junior Ranger Angel: covers one child participating in a Junior Ranger program.
- \$20 Sawtooth Treasure: covers a 1-hour Naturalist discovery station.
- \$40 Idaho Gem: covers a 1-hour Naturalist trailhead portal on Leave No Trace principles and wilderness travel.
- \$80 Naturalist Champion: covers a Naturalist programming for a day including a Junior Ranger program, a guided walk and a discovery station.

Help us reach our goal of 50 donors!

After making a donation, please help us spread the word about our organization. Share our Idaho Gives campaign along with your SIHA experiences! Post your Stanley Museum visit to Facebook and tag [@SawtoothAssociation](#), tweet about your kids participating in a Junior Ranger program, create an Instagram story based on your Redfish Lake boat tour or interaction with a SIHA Naturalist and tag [@SIHA_IG](#) or share your Smokey the Bear selfie on all your social media platforms.

Thank you for being a part of our SIHA community! We greatly appreciate your continued support which allows us to protect and preserve the Salmon River-Sawtooth country through preservation and education.

From your friends at SIHA,

Stay positive. Stay safe. Stay healthy.
